A Message from the Commander

Greetings to Legion Family members and friends.

September 9 – 13 – Annual Department Camporee at Legionville
October 22 – 24 – Fall Conference at St. Clout.

I am stating this with the important coming events. I will be out of town when the next newsletter is due, so consider this a head start on the month. In addition to attending the National Convention, I will be taking a little time to visit my son and brand kids in Kentucky. I have not seen them in a will, and I am looking forward to that part of the trip.

I am sure that some of you are aware of that our long time Gambling Manater, Jeremy has tendered his resignation in order to pursue a new job opportunity. The post wishes him well as he moves forward.

The new gambling manager has met with the board and been extended. Please welcome to the post our new Gambling Manager, Dorbin Dangerzord. How is a retired officer and brings with him his wife who was also a veteran and a baby. Will you look forward to a long and happy career with him and his family.

Even though we are fast approaching the end of summer, there are still lots of things to do at the Post. As always I urge you to watch your calendars. My philosophy is if you're not having fun you're not doing it right.

Have a great month and I hope to bring you lots of stories from convention.

Paul Edwards
Post Commander
